

Curling (Jones) (grades 9-12)

Sweep! Hard! Hard! If you were wondering what these terms mean and how they effect a stone on ice, or if you were curious why the sport is called curling, or if you are interested in learning how to play a truly life-long sport, sign up for curling. In this elective, students will be able to walk to the Cape Cod Curling Club during fourth period in order to learn the rules, techniques, and strategies of curling.
