

# FALMOUTH ACADEMY

## APPLICATION CHECKLIST

---

### **IMPORTANT DATES**

**October 20:** Fall Information Session (optional)

**January 12:** Scholarship Exam (optional)

**February 1:** Admission Application Deadline

**February 1:** Financial Aid Application Deadline

**March 10:** Admission and Financial Aid Decisions Sent via Mail and Email

**April 10:** Enrollment Contract and Deposit Due

### **INQUIRE**

Learn more about Falmouth Academy by filling out the inquiry form online at [www.falmouthacademy.org/Request-Information](http://www.falmouthacademy.org/Request-Information). The admission office will mail you a viewbook and other information about the school. Once you've inquired for the current school year, you will be set up with an account to start the Falmouth Academy admission application.

### **ONLINE APPLICATION**

The Falmouth Academy application can be found at [www.falmouthacademy.org/Apply-Online](http://www.falmouthacademy.org/Apply-Online). The cost of the application is \$65 for domestic students and \$100 for international students. The application fee can be paid online through the application portal. Please note that there is both a student and parent/guardian section. While the online Falmouth Academy admission application is preferred, we also accept the SSAT's Standard Application Online (SAO).

### **DAY VISIT AND INTERVIEW** (*visit and interview schedule begins October 1*)

All prospective students are required to spend a full school day visiting classes and meeting fellow classmates. The visit day is from 8:00 a.m. to 3:00 p.m., typically with the grade to which the student is applying. We match one of our current students with each visitor considering any shared interests. Interviews take place on the same day as the visit.

Schedule a day visit and interview through your online Falmouth Academy application. If you are unable to schedule your visit and interview through your Falmouth Academy online account, please email Sarah Knowles at [sknowles@falmouthacademy.org](mailto:sknowles@falmouthacademy.org).

### **TRANSCRIPT**

Please request an official transcript from your student's current school. The transcript should include grades from the last three years plus the first trimester or semester of the current academic year.

## □ **RECOMMENDATIONS**

To help the Admission Office learn more about your student and his or her academic strengths, we ask to hear from your student's current English and math teachers. Please send recommendation requests through your online Falmouth Academy application using your application checklist. Recommendation forms can be found on the online Falmouth Academy application or on our website.

## □ **TESTING**

While we take a holistic look when viewing your student's application, the Secondary School Admission Test (SSAT) allows us to learn more about your student's academic background. All students applying to Falmouth Academy are required to take the SSAT. It is preferable to take this test on the October, November, December, or January test dates to meet our application deadline. Falmouth Academy's SSAT code is 3112. Go to [ssat.org](http://ssat.org) to register.

International applicants:

For applicants whose language is not English, the Test of English as a Foreign Language (TOEFL) is required. Test scores should be sent to Falmouth Academy from TOEFL directly.

## □ **FINANCIAL AID**

Falmouth Academy offers need-based aid to qualified students. Please visit the "Apply for Financial Aid" page on the Falmouth Academy website for more information. Falmouth Academy uses School and Student Services (SSS) by NAIS in helping to determine a family's financial need. Please visit [www.falmouthacademy.org/Apply-for-Financial-Aid](http://www.falmouthacademy.org/Apply-for-Financial-Aid) for instructions on how to begin the financial aid application. Financial aid applications are due February 1.

If you have any questions, please let us know. We look forward to getting to know you throughout the application process!
